

## **Pink Fling Punch**

Oh my...you've got to taste this to believe it...

The team at Willy Bay have devised a special punch to keep you cool during the coming hot summer days and to get you through the festive season. Please follow the instructions below to ensure a good time is had by all. All ingredients, apart from the wine, are available from the supermarket. (Why not buy a case of 2004 Pink Fling and get a case of 2003 Pink Fling for free - use the 2003 Pink Fling in the Punch - now that's a cheap drink!)

### **Ingredients**

Willy Bay Pink Fling Rosé

Ocean Spray Cranberry Raspberry Juice

Bundaberg Ginger Beer

Half cup of Raspberries or Cranberries per jug

Mint Sprigs

### **Method**

Soak the berries in a little wine a couple of hours before putting together the punch. To keep your punch cool for longer, place the jug in the freezer to chill. When you are ready to serve, place the soaked berries in the jug with the wine used for soaking, then place equal parts of juice, Pink Fling and ginger beer in the jug adding the ginger beer last. Add mint sprigs. Your Pink Fling Punch is now ready to drink!

### **Warning**

Pink Fling Punch is very addictive and your guests will fling it back at an alarming rate. To avoid violence ensure a constant supply by keeping a stash of soaked berries handy in the fridge with a premix of the Pink Fling and juice and add the ginger beer just before serving.
